This one-of-a-kind customised motor yacht is ready for her new owners to embrace the Whitehaven cruising lifestyle and enjoy the next phase of adventures aboard this superb long-range vessel.

Turning heads for its graceful, yet commanding profile, Whitehaven Motor Yachts 7500 Sports Yacht 'Finito' epitomises style with substance.

Like every Whitehaven Motor Yacht, 'Finito' was born from its owners' desire for something "outside the square".

At just over 22-metres 'Finito' features single level, open-plan living and dining space for easy entertaining; a seamless flow between interior and exterior.

From the supremely spacious aft deck with seating for 10 or more, to the interior which is a study in masterful design and impeccable craftsmanship. The saloon, galley, lounge and helm form a unified

whole. Room for an 8-seater dining table and a superbly equipped galley make 'Finito' an entertainer's dream.

Below decks are three sizable suites, including the impressive full-beam Master with king-bed, chaise, desk, vanity, robes and stunning ensuite boasting twin sinks, full-height shower and sea-view.

A second galley doubles as a utility area, top of the range appliances concealed under Corian benchtops.

From the smallest, discrete detail, to significant considerations such as hull design, robust engineering and related performance benefits, 'Finito' sets a new standard that will captivate those seeking the freedom to cruise far and beyond conventional production boat limits.
